

Andrew Gilliam

Cloud Nine Productions-Chief Recording Engineer

- ProTools expert since 1991, the first in Oklahoma.
Consulted with many organizations on ProTools design and operation.
- Designed all technical systems for two recording studios and three video suites.
All video suites are operating on Fiber optics for bandwidth reasons.
- Won over 200 ADDY awards and citations, including regional ADDY wins and Best of Show awards.
- Performed sound design, ADR recording and editing, music scoring and editing, voice recordings, location audio, and more.
- Experienced in 5.1 audio mixing
- Voice talent with extensive experience in voice directing.
- Member of the Board of Advisors for Tulsa Technology Center
- Part of the 2003 EMMY award winning team for ESPN's "SportsCentury".
- Worked on the Academy Award Nominated film "Cars".

Cloud Nine Productions-Senior Vice President

- Promoted after seven years to Vice President
- Helped grow the company 700% in annual revenue/from four employees to 12 employees/from 2800 sq ft to 7600 sq ft.
- Instituted regular reviews and negotiated a better benefit package, which helped attract and retain quality employees. The tenure of employees is now measured in years.
- Re-organized inventory lists and worked with insurance agents to maintain property insurance. My system of inventory management has been adopted by other clients of my insurance agent.
- Promoted syndicated advertising as a department and helped create a department that added an additional 3 million in revenue since its inception.
- Interacted with clients on the billing and collection of accounts.
- Helped lobby for legislation to attract film projects to the state using tax incentives and rebates.

Member of Mensa

Synopsis:

No piece of paper can tell you the extent of experience one person has in his or her life. This one is no different. I've attempted to give you a broad picture of what I've done, but what you care about is what I can do for you and your organization now. Call me and let's build together.
